

ITINERIS

DRIVE · TRAVEL · EXPLORE

Via: The Cotswolds

14th June 2026

Spend the day with us as we introduce the ITINERIS way of driving. Starting at Bicester Motion you'll be guided through our navigation style and learn all the tips you need to navigate like a pro.

The route covers approximately 100 miles and is split into 5 driving sections. Our bespoke route will guide you through some of the finest roads that the Cotswolds have to offer stopping for lunch and refreshments along the way. Upon returning to Bicester Motion you will have the opportunity to put your skills to the test with a special track driving experience.

Get to know the ITINERIS family and the adventures we're most looking forward to.
